

Position: Creature TD (CFX)

Location: Vancouver, Canada

Contract: ASAP/Immediate 6-month to 1-year contract

Contact: dana@rachelelewis.com

RLT is seeking Creature TDs for a client in Vancouver who is currently working on several high-profile, live-action, VFX feature films. Be part of a dynamic team of multi-talented artists and utilize and develop your diverse skillset.

- Creature TDs are integral to the development of animation and simulation rigs for creatures, digital doubles, vehicles, props and the subsequent simulations.
- You will find technical and creative solutions to develop high quality rigs and simulations according to the needs of the production.

Must Have

- Minimum of 3 years' experience on feature films
- Thorough knowledge of an area of creature specialization and a broad understanding of the other areas, which include rigging and enveloping in Maya, cloth, hair, flesh, and crowd simulations.
- Full working knowledge of Maya
- Be comfortable with the more technical aspects of creature work where appropriate
- Have strong visual and artistic skills
- Familiarity with pipeline issues and a typical creature heavy postproduction environment

Nice to Have

- Programming or scripting skills (e.g., Python, Mel), depending on the area of specialization
- An interest in anatomy, tailoring, grooming, or mechanics depending on your area of specialization
- Houdini Creature FX set-ups and simulation
- A good General TD background

- Strong understanding of Linux/Unix based operating systems

About You

- Organized, pro-active and a self-starter
- A team player and clear communicator, and a keenness for collaboration
- Adaptable and with a willingness to learn new skills and techniques – including proprietary software
- Calm under pressure and committed to meet production deadlines
- A positive, can-do attitude
