JOB SUMMARY:

Our client is seeking a Junior Designer to create and engage designs according to requirements. You will work under the supervision of a Senior Designer to produce high-quality work. In this role, you should be highly creative and have a sharp eye for details. If you're passionate about design and eager to learn more, our client would love to meet you. Your goal will be to create impactful designs that capture and promote the company's vision.

- Understand project requirements and concepts
- Use various techniques to create drafts, models and prototypes
- Produce final design solutions (like logos, banners, interfaces)
- Pitch creative ideas
- Collaborate with team members to launch projects
- Take on special design tasks (e.g. color correction)
- Use feedback from other designers to improve

REQUIREMENTS:

- Up to three years of experience as a Junior Designer
- Experience with design software (e.g. InVision) and graphics editing tools (e.g. Photoshop, CorelDRAW)
- Familiarity with design techniques (e.g. prototyping)
- Understanding of visual elements (layout, type and fonts)
- Teamwork skills
- A keen eye for detail
- Time management and multitasking abilities
- Creativity skills and problem-solving aptitude
- BSc/BA in Design or a related field

If you're interested in talking about this excellent opportunity, please send your resume and reel to **maryanna[[@](mailto:maryanna@rachellelewis.com)]rachellelewis.com**. If you fit the criteria, the next step would be setting up a phone or zoom where we can give you the full download after signing an NDA (requested by the client).
