

**POSITION: Character Modeler**

**LOCATION: US / Canada Remote**

**CONTRACT: FT Contract**

**CONTACT: [maryanna@\[rachelelewis.com](mailto:maryanna@[rachelelewis.com)**

RLT is seeking a **Character Modeler** for a client working on the next evolution of digital humans built for film, music, NFTs and gaming in the metaverse. If you're ready to work on truly bleeding edge technology, with a group of industry veterans from the highest levels, give us a shout. This is a unique opportunity to make a career change and have your talents and voice be highly valued.

### **JOB SUMMARY**

The Character Modeler will be responsible for working on facial blendshapes for photoreal characters and will work closely with the rigging team to achieve believable expressions.

### **RESPONSIBILITIES**

- Sculpt high quality realistic human faces and creature models, emphasizing natural expression, and have a solid knowledge of human anatomy and facial expressions
- Sculpt FACS based blendshapes
- Work with leads and supervisors, and be able to communicate well with other artists to meet the needs of each character model

### **REQUIREMENTS**

- 2+ years previous experience in a similar role
- Must have technical expertise, and artistic ability to create feature-film level character models ready for production
- Extensive understanding of blendshapes, point order, and clean topology
- Experience with Simplex, Faceshift or other blendshape systems
- Extensive understanding of rigging and animation when creating blendshapes
- Modeling knowledge in industry production software such as Maya, Houdini and Zbrush
- Experience using Simplex or other proprietary blendshape systems
- Some prior experience as a modeler on high-end feature film, gaming and/or animation pipelines

- Excellent problem solving, communication, and interpersonal skills with an emphasis on inspired leadership
- Python scripting skills and familiarity with Houdini are a plus

If you are interested in talking about this opportunity, please email us and include your resume and reel.

If you fit the criteria, the next step would be setting up a phone call where we can give you the full download after signing an NDA.
