

POSITION: VFX Pipeline Technical Director

LOCATION: NY / US Remote

CONTRACT: FT Staff / permanent

CONTACT: [katharine@\[rachelelewis.com](mailto:katharine@[rachelelewis.com)

RLT is seeking a **VFX Pipeline Technical Director** for a New York City based client that is uniquely developing and producing content and entertainment for brands. Offering full service capabilities, this company spans across advertising, digital, short form, long form, episodic TV and feature films.

JOB SUMMARY

Do you love to develop pipelines for VFX houses in Episodic and Film? Then our client wants to hear from you! An exciting opportunity to help the company rebuild and innovate new pipeline tools, procedures and directories in the entertainment industry. Working in Houdini, Shotgun and Nuke among other industry standard programs.

RESPONSIBILITIES

- Help the company to improve and make efficiencies in the pipeline.
- Balance your workload between development and implementation of pipeline modules while supporting pipeline-related tickets.
- Update on pipeline progress and milestone achievements every week.
- Improve and maintain existing code to improve quality, reliability, and maintainability.
- Find and fix bugs.
- Proactively test new and existing features to ensure the highest levels of quality.
- Actively participate in code reviews, test new concepts and technologies.
- Achieve milestone targets set in your pipeline development Sprint.
- Attend to pipeline meetings ensuring regular contact with other members of the team.
- Successful implementation of artist requests or features.
- Ensure good communication with the production team as well as any other member of the company.

REQUIREMENTS

- 1 – 3 years experience in Pipeline development for VFX Houses
- You are expected to have an industry-related degree (i.e. Computer Science degree, Mathematics degree)

- Proficiency in Python, with complementary experience in C++
- Skilled GUI development in Qt/PyQt/PySide
- Skilled in CI/CD and Agile practices
- Skilled in Git

If you are interested in talking about this opportunity, please email us and include your resume.

If you fit the criteria, the next step would be setting up a phone call where we can give you the full download after signing an NDA.
