

POSITION: VFX Producer

LOCATION: US / Canada - Remote

CONTRACT: FT Staff / Permanent Position

CONTACT: [maryanna@\[rachelelewis.com\]](mailto:maryanna@[rachelelewis.com)

We are seeking a **VFX Producer** for our client, a state-of-the-art post-production house based in NYC. This facility uses the most advanced cloud technology allowing their VFX team to work 100% remote. This is a very cool group led by Industry top-tier talent.

JOB SUMMARY

RLT is looking for an experienced VFX Producer. They will be partnered with the VFX Supervisor to lead our client's crew in fulfilling the Director's Vision on time and on budget, while maintaining the highest quality work. The VFX Producer will shepherd projects through VFX, communicating with clients, vendors, and the internal team to ensure project success. Our client is looking for someone that is cool under pressure and experienced with every part of the process. A detail-oriented team player who will lead the company through challenges and deliver great results.

RESPONSIBILITIES

- Manage the VFX process throughout all stages.
- Create and Manage various Budgets
- Manage the overall VFX schedule for multiple projects and plan priorities and responsibilities.
- Ability to relay and interpret notes from various creatives and clients.
- Communicate with external production partners
- Work with Heads of Production to hire and forecast artist freelance needs.
- Secure bids from out-of-house vendors
- Work with Accounting department to onboard freelancers / vendors
- Supply advanced notice to the Engineering and Pipeline departments of changes taking place in production as it pertains to any technical needs of the artist(s) and/or support staff.
- Accurately track and monitor artist hours making sure the project is on budget and schedule.
- Equal ability to project manage as well as account manage.

REQUIREMENTS

- Previous credited experience as a VFX Producer
- Thorough understanding of live-action and CG based VFX workflows
- Knowledge of Post-Production workflows

- Manage project milestones and deliveries in accordance with the implemented schedule
- Experience with budget oversight and actualizing projects.
- Experience with external partnership management
- Ability to prioritize and operate under tight deadlines
- Highly organized project management skills
- Excellent written and verbal communication skills
- Excellent client and crew management skills
- Proven ability to manage high revenue budgets
- Strong knowledge of ShotGrid
